

# TRITON SUMMER CAMP '08

Come and have fun with us this summer at beautiful Triton Stables! Enjoy riding (English/hunt seat), caring for horses, horse-related crafts, games and fun with new-found friends. Our ponies and horses are well-trained and have years of experience with young riders. Your camper will be taught basic horse & equipment care, safety in the stable & while mounted, how to tack up a horse, and how to control the horse in the ring at the walk & trot. As skills increase, campers may also learn control at the canter and over small jumps. More experienced riders will be taught according to their skill level.
