

# Triton Stables Summer Camp

## Welcome 2021 Campers!

Welcome to our Triton Stables 2021 Summer Camp! We hope that this will be a memorable and rewarding week of learning and horsemanship for your child. To ensure a safe and easy start to the week, please review the following summer camp tips before your child's first day of camp:

\*\*Please note that our COVID-19 protocols and procedures (in **Green**) will remain in place during the Summer 2021 Camp Season to ensure our riders, staff, and their families are safe. Every camper must adhere to the protocols or they will not be permitted to participate in camp activities and asked to leave the property.\*\*

- Please drop off (**8 AM**) and pick up (**1 PM**) your child from the front barn parking lot only.
- Each morning, staff will check the temperature of each camper as they arrive. Any rider with a fever or exhibiting any COVID-19 symptoms will be asked to leave and will not be permitted to return to the farm for a **minimum of 2 weeks**.
- **Remember to bring all necessary gear each morning for your child.** The following items are necessary for a successful camp experience:
  - **Personal Riding Helmet (required)** – ASTM approved and properly fitted.
  - **Personal riding boots or shoes with a heel (required)** – Sneakers are not permitted due to potential to slip through the stirrup and potentially drag a rider if thrown off a horse.
  - **Personal Face Mask (required)**
  - **Personal Tack (encouraged)** – Campers without a full personal set of tack will be assigned specific sanitized tack for the week and will be required to sanitize the borrowed tack at the end of the week before returning.
  - **Long pants** – Jeans are fine, but the inner seams may chafe your legs. Riding breeches are recommended as they are designed to eliminate this problem.
  - **Gloves** – Not required, but gloves are helpful to maintain a good grip on the reins.
  - **Fly Spray** – Recommended as the flies that bother the horses will bother campers if given the chance.
- Each camper is required to bring their own bagged lunch and water bottle with their name printed clearly on it.
- Please make sure to hydrate every night before camp. Gatorade or an equivalent are great as are water and fruits.
- All common spaces will be wiped down to ensure camper health and safety.
- If your child cannot attend camp for any reason, please contact **Megan Ward at 919-621-4908** as soon as possible. You may leave a voicemail overnight if necessary.

The Triton Stables' Summer Camp staff hope that this will be the beginning of a lifetime love of sport and equine enjoyment for you and your child! **See you at camp!!**
